

## Good Autism Practice

**Gain practical knowledge, and discover hands-on tools and techniques to support autistic children in your setting.**

### Who is this training for?

This is a module for practitioners who work directly with autistic children in schools, and it provides guidance on processes and tools that can help practitioners to implement good autism practice.

### What will you learn?

- Develop your knowledge and understanding of good autism practice
- Reflect on and improve your practice in working with autistic pupils
- Understand strategies and approaches you can draw upon for autistic pupils you work with
- Reflect on the kind of information you need to collect for creating a person-centred education plan
- Consider how to involve the autistic pupil and their family in setting learning goals
